Dedication

Physical Education is a vital part of any school curriculum today. Athletics not only develop the body through vigorous activity, but also develop the mind affording a way to learn dedication and pride. Mr. Dunning, a member of this department for many years has done much to strengthen this area, and we, The Senior Class of 1973, proudly dedicate this year's Gusher to him.

Classes under "Dutch", as he is familiarly called, will long be remembered for the humor and enjoyment he injects into all gym classes. His encouragement and skilled teaching has shaped many athletes and shown them how to appreciate sports. He has spent countless hours in coaching grime-ridden football teams, sweaty basketball squads, baseball, track, and wrestling teams. He has suffered defeat; he has enjoyed victory. Thank you Mr. Dunning, for everything--your deep-seated dedication to any task given you, your loyalty, your experience--especially yourself!!!!

On Top the Heap—Seniors Accepted Their Title with Pride

The Senior Class has struggled its way through the maze of high school life. Each battle fought, each obstacle mounted, each happiness experienced, each person encountered, has contributed to our development as individuals, individuals that are faced with tomorrow. The springtime of our lives has come to a close--a time that can never be relived, except in memory, and by the great influence that Bolivar will hold over us for a lifetime.

Senior Bulldogs

This was the year that the Bulldogs finally, after a long "dry spell," put it together and produced a respectable 6 won and 2 lost season. The seniors left with the juniors, an outstanding desire to win. This characteristic is the most vital link in a winning effort. Rick Childs, co-captain, was voted M. V. P. in The Homecoming Game, was selected to the All-League team and frequently our "Top Dog." Barry Church was All-League and a "Top Dog." Dave Ferguson, honorable mention All-league, and co-captain, also was a "Top Dog." Specialties captain, Phil Cole, and Jake Gleason also made outstanding contributions to the team. Their absence will be noticed next year. With this instilled attitude, next year's seniors with the help of the underclassmen, could achieve even greater success.

The Bolivar Cross Country team under Coach Stabley finished the regular season of Alle-Catt competition undefeated. During the season the team repeated as the champs in the Alfred-Almond Invitational and the Alle-Catt conference championship race. The team also won the prestigious Section Five championship race, which qualified them to represent the section at the state meet, where they captured sixth place, Other highlights of the "72" season included Doug Mitchell breaking the school record by 5 seconds and the Alle-Catt record by 7 seconds.

Golf

Once again Bolivar's golf team will participate in the Cattaraugus County Golf League. This year as in the past they shall be faced with strong competition from Olean High, Walsh, and Allegany. The Bolivar team seems to hold its own or better with remaining entrants, Portville, Hinsdale, Franklinville, and Ellicotville. Success in 1973 depends on how well we handle the strong teams. This year we have the seasoned veterans: Barry Church, John Wight, and Gary Mergler. This squad has balance, experience, and knowledge of the area courses. With these qualifications, the prospects of 1973 golf team are exceptionally bright.

FIRST ROW: D. Shields. SECOND ROW: B. Jandrew, G. Mergler, L. Barnes. THIRD ROW: B. Salzer, B. Church, D. Moore.

Bowling

Last year's bowling tournament was held at Hornell. Our five-man team finished in third place and in the singles we finished fourth. In doubles competition Barry Church and Dennis Moore advanced to the sectionals by finishing in second place. With the loss of only one senior from last year's team, Bolivar should have an excellent team this year.

Student Council Strives to Improve School Conditions

A truly mature person is capable of self-government. Bolivar Students acquire experience in government and representation through their Student Council. In this body, under the direction of the Student Faculty Advisory Committee, students give voice to their ideas through their elected delegates and learn the reasons behind school regulations and decisions. This year the Student Council assisted the Bolivar Booster Club in putting on the first Homecoming Day. A successful Winter Carnival was also planned by the Student Council.

Gusher Tells Story of Entire Year

"Copy!" "Kathy where are those pictures?" "You didn't write that text yet?" "Deadline is tomorrow!" "Eileen, what have you done with those ads?" --a familiar exchange that rever berates from the walls of the Reference Room as the yearbook is being put together day by day.

The Gusher presents the classes, athletic events, extracurricular activities, and student and faculty personalities of Bolivar during the academic year, 1972--1973, and strives toward a modern and striking portrayal of the essentials of school life. We hope you will long remember the events that took place in this school year.

"Homecoming Activities", Senior News", "New Students", "Cross Country Sectional Champs"--These and other familiar headlines have decked the pages of the Sentinel this year informing the students of academic accomplishments, faculty changes, current events, class endeavors, victories and defeats on the court and on the field: These are some of the "grossly evident and scarcely perceptible inter-changes" that make each of us a part of daily living, an unselfish person.

Two meetings are held every month after school, often featuring special speakers who deal on different aspects involved in the teaching profession.

Members gave assistance to Mrs. Bartoo all year in the reference room aiding students and their teachers in the hunt for books. November was the month in which the club held its annual week-long Book Fair, giving Bolivar students an opportunity to obtain new reading material.

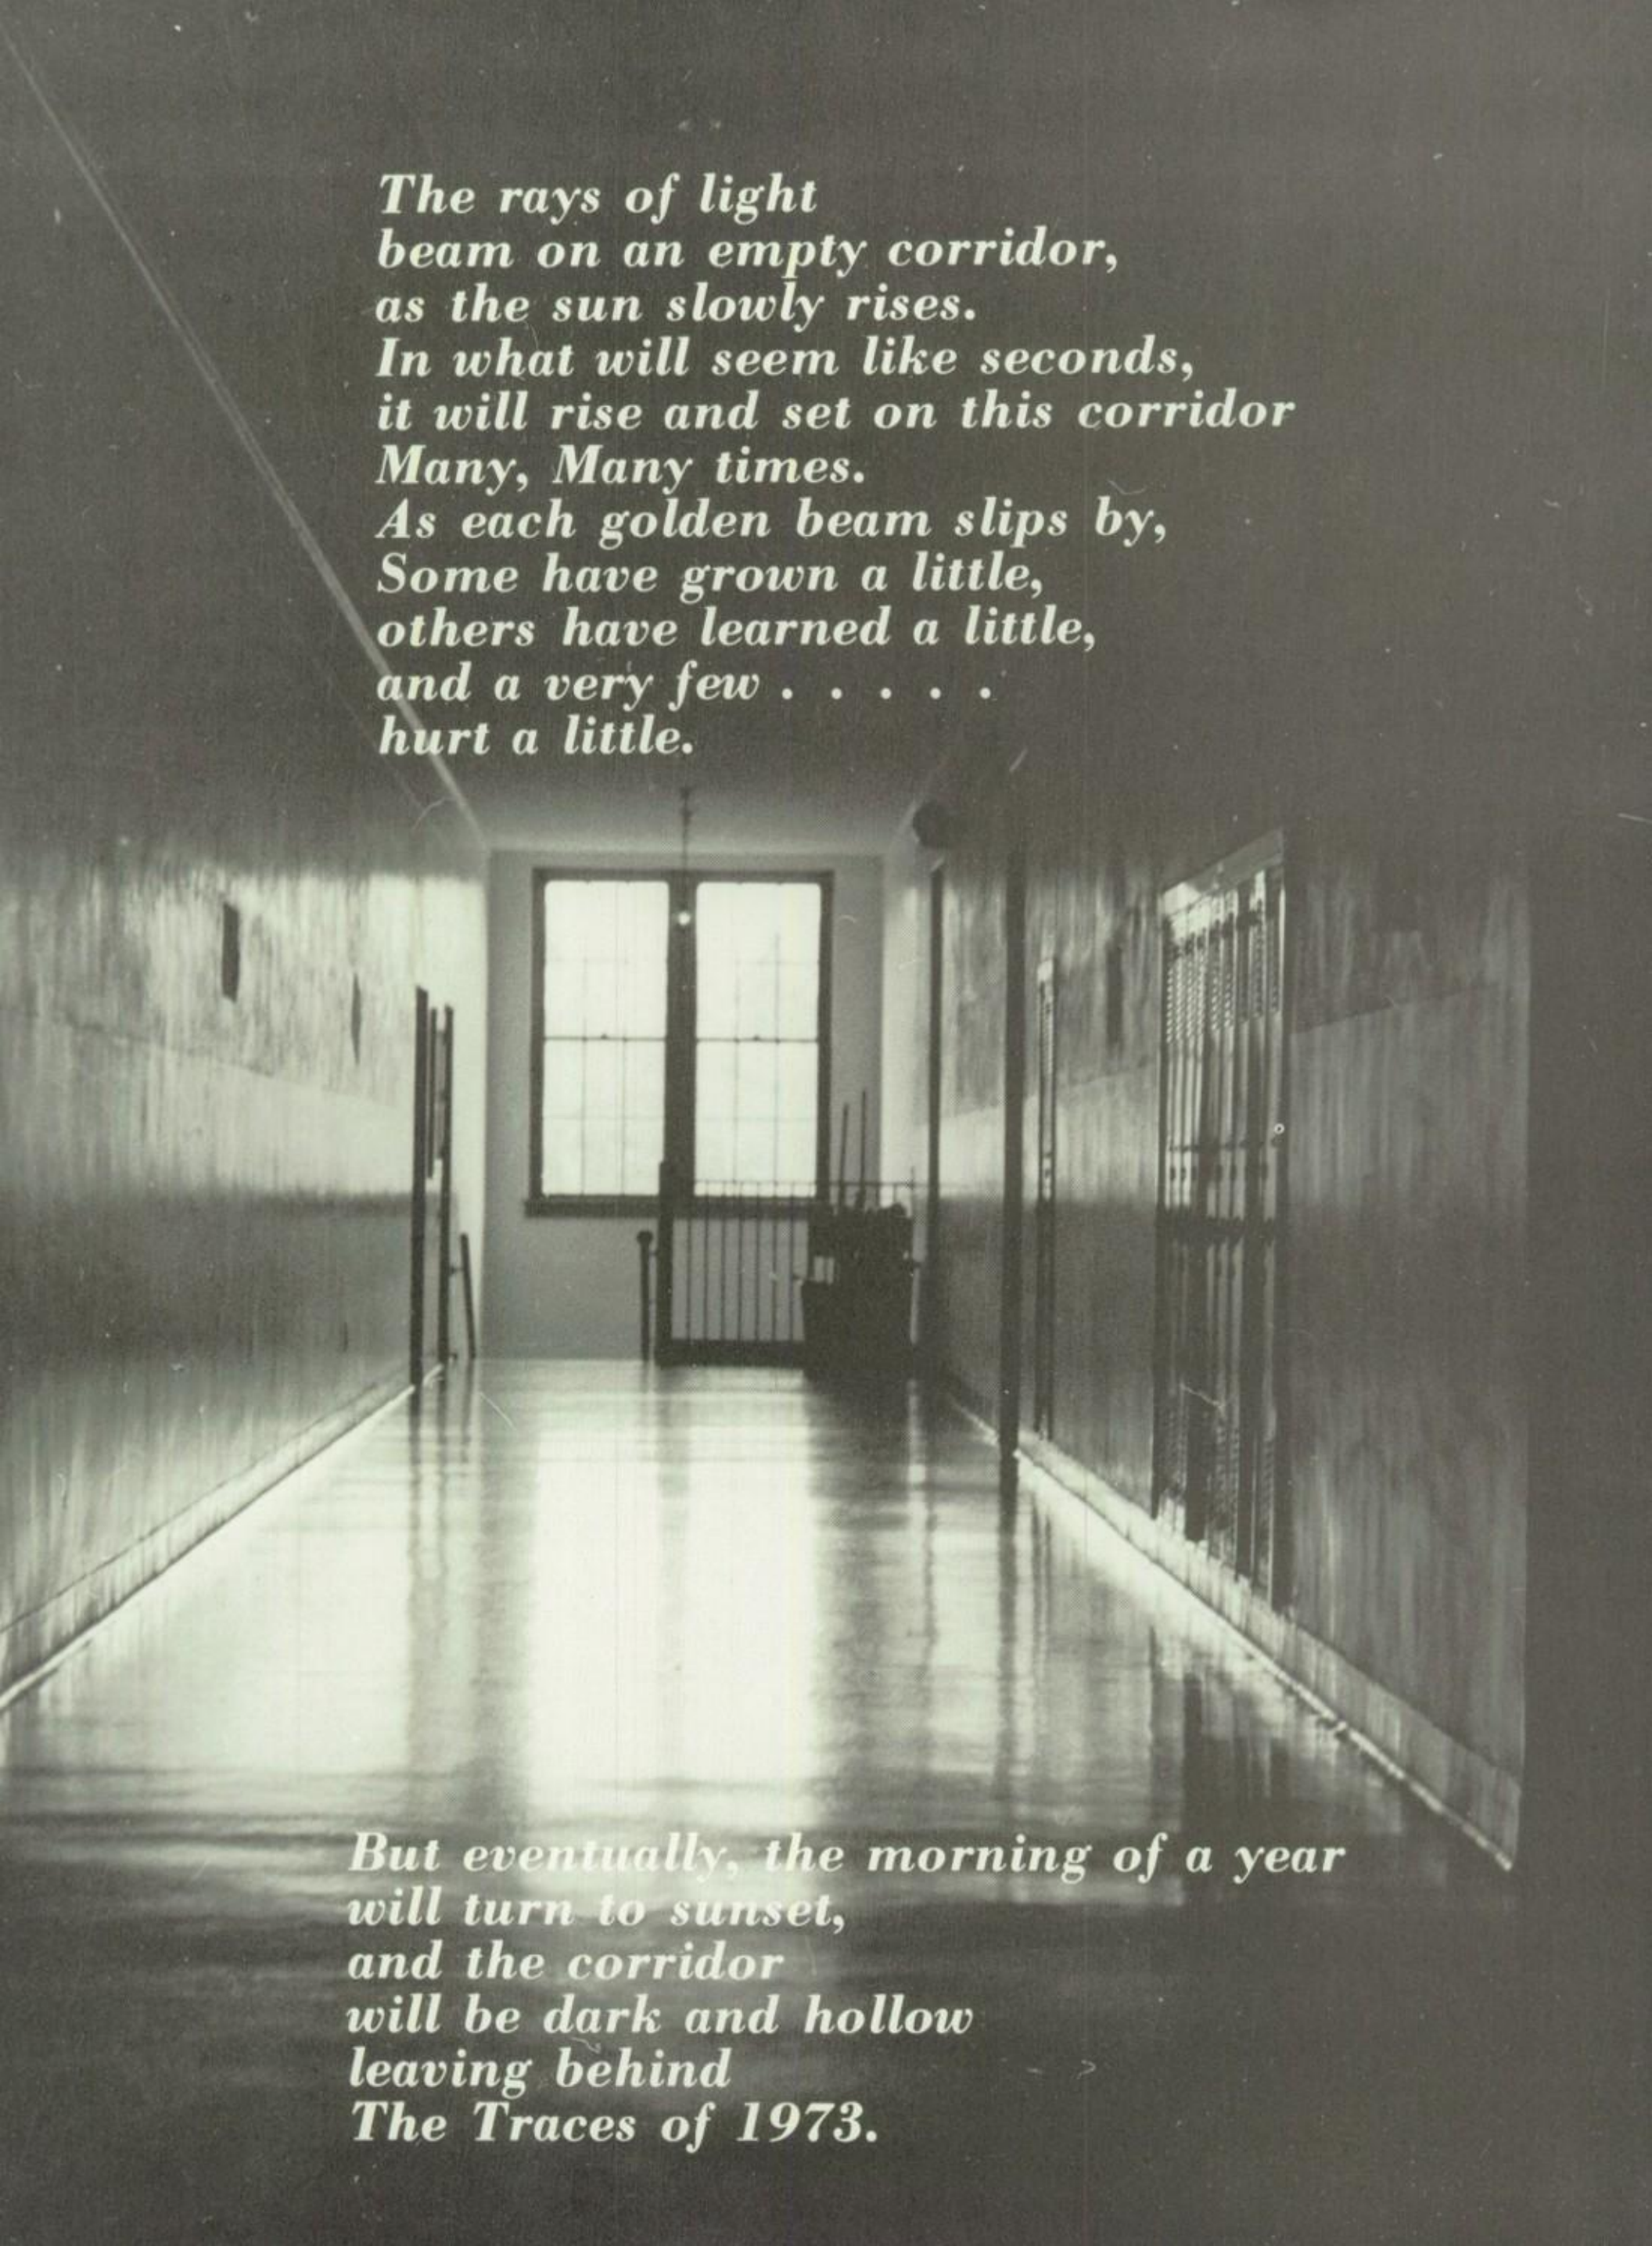
PEACE IN 1973

"Don't look up. She's looking this way!"



The rays of light
beam on an empty corridor,
as the sun slowly rises.
In what will seem like seconds,
it will rise and set on this corridor
Many, Many times.
As each golden beam slips by,
Some have grown a little,
others have learned a little,
and a very few . . . . .
hurt a little.

But eventually, the morning of a year
will turn to sunset,
and the corridor
will be dark and hollow
leaving behind
The Traces of 1973.
